

**OPPORTUNITY TO WORK FOR A LEADING POWER UTILITY**  
**'PROSPECT FOR GROWTH AND OPPORTUNITY TO EXCEL'**

West Bengal State Electricity Transmission Company Limited (WBSETCL), a professionally-managed, Government-owned, multi-sited power transmission Company in Eastern India with annual turnover of over Rs 690 crores, and winner of Best Power Availability Award (2007-08) as a Transmission Licensee in India by Ministry of Power, GOI, invites experienced IT professionals with impeccable performance history, outstanding professional competence and leadership traits, for the following positions:

**1) Head - Information Technology. (1 post)**

**Job Profile:** The successful appointee would be responsible to oversee and implement all IT application systems including program management of large enterprise-wide IT projects that are undertaken by WBSETCL. The role also demands up to date and in depth knowledge for overseeing the implementation of ERP related software & hardware infrastructure at multiple locations. The detailed Job Description for the position is available at [www.wbsetcl.in](http://www.wbsetcl.in)

**Qualification:**

**Essential:** Graduation in Electrical Engineering / Computer Science / Information Technology.

**Desirable:** Post Graduate specialization in Computer Science / Information Technology or professional accreditation from any Government recognized Institute / Agency.

**Experience:** The candidate should have at least 15 years of experience in managing large IT integration projects. He / She should have good project management skills with minimum 5 years of experience in end to end ERP implementation including solution, implementation / roll out and presentation to internal customers.

**Preferred Age:** 40 – 55 years as on the last date of submission of application. These limits may be relaxed for specially deserving candidates.

**2) Project Lead - Information Technology. (2 posts)**

**Job Profile:** The successful appointee would be responsible to provide assistance in implementation of all IT application systems including program management of large enterprise-wide IT projects that are undertaken by WBSETCL. The role also demands up to date and in depth knowledge in the implementation of ERP related software & hardware infrastructure at multiple locations. He / She would be required to coordinate and manage all interfaces of the ERP Implementation Project Team with the user departments. He / She would be required to assist the Head (IT) in achieving WBSETCL's objectives and goals of successful implementation of IT projects and deriving the business results thereof. The detailed Job Description for the position is available at [www.wbsetcl.in](http://www.wbsetcl.in)

**Qualification:** Graduation in Electrical Engineering with post graduation in Computer Science / Information Technology or Graduate in Computer Science / Information Technology with post graduation in related discipline.

**Experience:** The candidates should have at least 10 years experience in handling large IT integration projects. Experience in dealing with end to end ERP implementation would be desirable. He should have functional excellence, be a team player, have good communication and interpersonal skills and should have the ability to perform multiple tasks and withstand pressure.

**Preferred Age:** 30–45 years as on the last date of submission of application. These limits may be relaxed for specially deserving candidates.

**COMPENSATION:** The compensation package will be around Rs. 10 (ten) lakh & Rs. 5 (five) lakh per annum respectively for the above positions on Cost to Company basis exclusive of bonuses. Annual increments will be considered based on performance. *The compensation package will not, however, be a constraint and is negotiable in case of specially deserving candidates.*

*If you think you are the person we are looking for, then email your resume, along with a covering letter clearly indicating the position applied for, to the email-ID given below, on or before 23<sup>rd</sup> February, 2010. Executives in Government and semi-Government Undertakings will be required to furnish "No Objection Certificate" from their employer at the time of interview. The format for submitting the resume can be downloaded from [www.wbsetcl.in](http://www.wbsetcl.in)*
