The facility of Fixed VAN for payment of Global Pre-Bid EMD has been developed and provided to the bidders. As per this provision, whenever the bidder clicks on the link □Pay Pre-Bid EMD□, they will be navigated to a page where they can generate the Fixed VAN. Currently MSTC has included the services of 3 banks i.e., Bank of Baroda, Axis Bank and SBI. Bidders can generate the VAN for one or more banks and add the same to their beneficiary list for future payments of pre bid EMD. They can make Pre-Bid transfers any number of times using the same Virtual Account Number without having the need to generate a new chalan and add beneficiary every time.
The VANs are bidder specific, and each bidder will have a different virtual account numbers for Bank of Baroda, Axis Bank and SBI.
The facility of fixed VAN is available only for payment of Global Pre-Bid EMD. For the post auction payments, the bidders shall have to follow the existing process of dynamic VAN.

The amount deposited by the bidders will be updated on receipt of confirmation from bank. Thus the bidders are advised to deposit the pre bid EMD well in advance. Once the EMD is received and intimation is received from the bank the amount will be visible in the buyer's login through the link EMD ledger. In case the bidder wants to apply for refund they may apply for refund from their login through the link EMD refund request. Refund to bidder as per their online request will also be processed from MSTC HO on the next working day. This

payment will be credited to a specific MSTC HO account only and as per successful bidding, equivalent amount will be forwarded to respective Region/Branch on the next working day. This pre-bid EMD cannot be used for any other purpose. Remittance of pre-bid EMD should be done strictly as per the process detailed above. The Pre-Bid amount will be liable for forfeiture for any failure of the successful bidder to fulfill any of the terms and conditions of the E-Auction. No interest is payable on this pre-Bid EMD. The Pre-Bid EMD of the successful bidder may be converted / adjusted against the SECURITY DEPOSIT .

Non submission of EMD within the stipulated time will lead to deactivation and deregistration of the concerned buyer, thereby debarring them as per MSTC policy, in case of back out buyers. In case, Pre-Bid EMD is applicable, login shall remain activated but Pre-Bid EMD will be forfeited.
